As a small business owner, I wear many hats. Alexis's Mastermind group has helped me to define my roles, organize my thoughts and ideas into an action plan, and refine my goals. Day to day business and life can easily distract you and cause you to drift from your original vision. Alexis Rago, from Marketing Mana LLC helped redirect me to prioritize the value of my time and realize that delaying the implementation of new strategies were costing my business much more than the time I felt I could not give up to review my options and pull the trigger.

Alexis Rago is very knowledgeable, articulate and insightful. She delves into your business and aids you in focusing on areas for improvement and growth. She is an exceptional Mastermind host. She keeps our group on task and is wonderful in encouraging beneficial sharing amongst us. She has developed material and resourceful tools for our group to utilize in our respective businesses. The hour flies by quickly and I look forward to the next session. Alexis holds you accountable on your journey of professional development. There has been a tangible change in the way of running my business thanks to Alexis and Marketing Mana, LLC.

I greatly appreciate and am very happy I participated in the Mastermind. I would highly recommend Alexis Rago to help you individually or in the group settings of a Mastermind. She will invest in you and your business!

"The reason most people never reach their goals is that they don't define them, or ever seriously consider them as believable or achievable. Winners can tell you where they are going, what they plan to do along the way, and who will be sharing the adventure with them"

-Denis Waitley

Let Alexis Rago and Marketing Mana LLC help you become a winner!
